**LETTER REQUESTING ACKNOWLEDGMENT
OF INFORMATION DISCLOSURE STATEMENT
FILED UNDER 37 C.F.R. § 1.97**

An Information Disclosure Statement was filed in this application on February 8, 2005. In reviewing our files, we find that we have not received from your Office a copy of the Form PTO/SB/08 which would serve as acknowledgment of receipt of the Information Disclosure Statement and as an indication that the documents were considered by the Examiner.

A copy of the Information Disclosure Statement, the Information Disclosure Citation on Form PTO/SB/08, and of the postcard that was filed with the Information Disclosure Statement and was stamped by the U.S. Patent and Trademark Office to indicate receipt of the papers, is attached.

The Examiner is respectfully requested either to send undersigned a duplicate of the copy of the Form PTO/SB/08 or issue a Supplemental Notice of Allowability (PTOL-37) which both acknowledges receipt of the Information Disclosure Statement and the Information Disclosure Citation, and indicates that the documents were considered by the Examiner.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(c)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicant brings to the attention of the Examiner the documents listed on the attached PTO-SB-08 form. Applicant files this Information Disclosure Statement (IDS) after the period set forth in 37 C.F.R. § 1.97(b), but before the mailing date of either a Final action, Quayle action, or a Notice of Allowance, to the undersigned representative's knowledge at the time of filing this IDS. This IDS supplements the IDS filed on March 24, 2004.

Under the provisions of 37 C.F.R. § 1.97(c), this Supplemental Information Disclosure Statement includes the following certification as specified by § 1.97(e): The documents listed in this Information Disclosure Statement were first cited in a Japanese Patent Office Action mailed by the Japanese Patent Office on November 10, 2004, in a counterpart foreign application, and this Information Disclosure Statement is being filed within three months of the mailing date of

that communication. Applicant encloses a copy of the Japanese Patent Office Action and its English translation.

Applicant attaches copies of the listed documents. Applicant respectfully requests that the Examiner consider the listed documents and indicate their consideration by making appropriate notation on the attached form.

In lieu of a statement of relevance or full translation of the non-English documents, Applicant encloses the English language version of the attached Japanese Patent Office Action, entitled "Notification of Reasons for Rejection," mailed on November 10, 2004, in the counterpart Japanese application, citing and setting forth the relevance of the attached documents.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any or all of the documents as prior art against any claims in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
